# CERTIFICATE

This is to certify that GS1 RUS is a member organization of GS1 and the sole representative of GS1 for the Russian Federation. In the Russian Federation, GS1 RUS is the only organization authorized by GS1 to administer the GS1 System and allocate Global Company Prefixes, Global Location Numbers and other GS1 Identification Keys to companies for purposes such as trade item identification, bar coding and electronic communication. GS1 RUS is the only official source for GS1 barcodes and standards in Russia. The GS1 barcode numbers allocated to companies by GS1 RUS begin with the prefixes from 460 through 469 inclusive.

GS1 has granted to GS1 RUS the right to use the trademarks "GS1", "GS1 Barcodes", "GS1 eCom", "GS1 EPCglobal", "GS1 GDSN" and other GS1 trademarks for its business activities and on its publications, stationery and documents.
